# COOPERATION MODELS

## Commission-based referral model

Partners receive a proportional share of the profits generated from referred merchants.

## Customized cooperation model

CCPayment is open to flexible cooperation structures. Contact us to discuss tailored solutions that fit your business needs.

# COMMISSION STRUCTURE

Refer merchants to CCPayment and earn a commission based on the profit generated from their transactions. We also offer customized commission plans—welcome to discuss tailored solutions with us!

<b>First Year</b>	<b>20% Share of Net Revenue</b>
<b>Starting From the 2nd Year</b>	<b>10% Share of Net Revenue</b>

Example: If a referred merchant processes a transaction volume generating 1,000 USDT in transaction fees **during their first year**, you will earn a 200 USDT commission (20% of the fees).
